The JustCoding team acknowledges Karen Newhouser, RN, BSN, CCDS, CCDS-O, CCS, CDIP, CCM, for her contributions to the Evaluation and Management Services Guidelines section.

The content in this guide is based upon extensive professional experience and supported by the references cited. Accuracy in coding is determined by the specific circumstances in individual cases documented in the medical record as cited in ICD-10-CM, ICD-10-PCS, *Official Guidelines for Coding and Reporting*, and advice from *Coding Clinic*. Advice given is general. Readers should consult professional counsel for specific legal, ethical, or clinical questions.
